

**REMARKS**

Claims 2, 4, 5, 7, and 10 have been amended to overcome the rejections under 35 U.S.C. § 112, second paragraph and to more particularly point out and distinctly claim the subject matter which the applicant regards as his invention.

Claims 11-15 have been cancelled without prejudice. This cancellation is not an admission by the Applicant of agreement to the rejections proposed by the Examiner. The Applicant retains the right to re-file these claims in a continuing application.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.
